Dear [Redacted]

STAT

It was gratifying to learn that the proposal being prepared by you for redecking the Parkway overpass to the Agency's gate will include the construction of a northbound acceleration lane on the Parkway. For our part, we have set aside FY-1983 funds to cover the acceleration lane construction costs in an amount up to \$150,000.

I have designated [Redacted] Chief, Logistics Services Division, to act as our contact officer on this project. [Redacted] can be reached on [Redacted] if you should have any questions or need additional information.
